

Ornamental Grasses - Worlds End Garden Nursery

Code	Cultivar	Description	Size	Price
ACOOGO	Acorus gramineus 'Ogon'	Semi-evergreen, perennial, Fan of narrow, stiff, grass like leaves are green with cream variegation. Height 25cm. Spread 15cm. Requires full sun. Prefers moist conditions, ideal for bog garden or pool margin.	2 lit.	£4.85
ACOVAR	Acorus gramineus 'Variegatus'	Semi-evergreen, perennial, Narrow, stiff, grass like leaves are dark green with cream variegation. Height 25cm. Spread 15cm. Requires full sun. Prefers moist conditions, ideal for bog garden or pool margin.	2 lit.	£4.85
ACOPUS	Acorus gramineus var. pusillus	Semi-evergreen, fan of narrow, stiff, olive green grass like leaves. Height 8cm. Spread 15cm. Requires full sun. Prefers moist conditions, ideal for bog garden or pool margin.	2 lit.	£5.25
ALOPAU	Alopecurus pratensis 'Aureus'	"Golden Meadow Foxtail" Densely tufted, perennial grass with almost entirely golden leaves and dense flower spikes in April-May. Height 25cm. Best in sun or partial shade.	2 lit.	£4.85
AMPMAU	Ampelodesmos mauritanica	"Mauritania Vine Reed" Forms large clumps of evergreen leaves which produce large, one sided panicles borne on pendulous branches from spring through to mid-winter. Unusual and interesting specimen plant. Height 300cm Spread 180cm. Best in sunny well drained position.	2 lit.	£5.25
ANDGER	Andropogon gerardii	"Big Bluestem" Densely tufted perennial grass with blue green leaves, which turn purple in autumn. Deep red-purple flower heads September to October. Height 200cm. Prefers well drained sandy soil and full sun. Cut back in spring before new growth appears.	2 lit.	£4.85
ANELES	Anemanthele lessoniana	syn. Stipa arundinacea "Pheasant's Tail Grass" Attractive tufted hardy perennial grass with arching culms, and flowers from July to September. Leaves gradually become streaked with orange and bright brown as summer advances. Retains an orangey-brown colour throughout Winter. Height 150 cm. Prefers full sun and will tolerate a dry position. RHS 'Award of Garden Merit'	2 lit.	£4.85
ARREVAR	Arrhenatherum elatius 'Variegatum'	"False Oat Grass" A loosely tufted grass with basal stem swelling, herbaceous. Striking leaves striped and edged pure white. Oat-like brown panicles in summer. Height 50cm. Sun or partial shade.	2 lit.	£4.85
BOUGRA	Bouteloua gracilis	"Mosquito Grass" Semi-evergreen, tuft forming, narrow leaved, perennial grass. In summer bears comb-like spikes, 4cm long, held at right angles to stems. Height 50cm. Spread 20cm. Requires full sun and well drained soil.	2 lit.	£4.85
BRIMED	Briza media	"Quaking Grass" Attractive heart shaded spikelets that make a gentle rustling sound in breeze. Flowers May to August. Height 50cm. Suitable for dried arrangements. Planting in full sun.	2 lit.	£4.85
CALBRA	Calamagrostis brachytricha	"Diamond Grass" Densely tufted perennial grass, Purplish flowers in late summer and Autumn. Height 120cm. Best in full sun and well drained soil. RHS 'Award of Garden Merit'	2 lit.	£4.85
CALKF	Calamagrostis x a. 'Karl Foerster'	"Feather Reed Grass" Showy brown flower head from June lasting into the Winter. Height 150cm - 200cm. Prefers damp site.	2 lit.	£4.85
CALOVE	Calamagrostis x actiuiflora 'Overdam'	"Feather Reed Grass" Mound forming grass with arching leaves striped white narrow upright habit. Attractive flowers in summer. Height 100 cm. Prefers damp site.	2 lit.	£4.85
CARID	Carex 'Ice Dance'	An attractive sedge forming tufts with arching white variegated leaves. Produces slowly spreading runners. Height 40 cm. Best grown in a damp to wet soil in full sun or partial shade.	2 lit.	£5.25
CARIB	Carex 'Island Brocade'	Variegated sedge from Japan. Vigorous habit with strong golden edges. Ideal for containers. Height 20cm. Best grown in a damp to wet soil in full sun or partial shade.	2 lit.	£5.25
CARBUC	Carex buchananii	"Leatherleaf Sedge" One of the most colourful sedges with upright reddish-brown foliage. Forms dense tufts, flowers produced June to August. Prefers damp to wet soil. RHS 'Award of Garden Merit',	2 lit.	£4.85

Code	Cultivar	Description	Size	Price
CARCBF	Carex comans 'Bronze Form'	"New Zealand Hairy Sedge" Very densely tufted sedge from New Zealand. Unusual dull brown hair-like leaves. Flowers June-August. Height 45 cm. Best grown in a damp to wet soil in a sheltered position.	2 lit.	£4.85
CARFC	Carex comans 'Frosted Curls'	From New Zealand. Forms a compact silver-green "haystack" with brown seed heads. Height 20cm. Requires sun or light shade and moist acid soil.	2 lit.	£4.85
CARKAG	Carex dolichostachya 'Kaga-nishiki'	An attractive sedge forming compact tufts with arching leaves. Pale green leaves that are variegated golden yellow. Height 25cm. Best grown in a damp to wet soil.	2 lit.	£5.25
CARAUR	Carex elata 'Aurea'	"Bowles's Golden Sedge" Evergreen, tuft forming, perennial sedge with golden yellow leaves. Solid, triangular stems bear blackish-brown flower spikes in summer. Height to 40cm. Spread 15cm. Requires full sun and wet soil. RHS 'Award of Garden Merit'.	2 lit.	£5.25
CARFLAG	Carex flagellifera	New Zealand sedge with upright long stems and coarse leaves of pale bronze to tawny brown. Forms low arching dome of dense tufts. Height 50-70cm. Prefers damp to wet soil.	2 lit.	£4.85
CARMFF	Carex morrowii 'Fishers Form'	An attractive sedge forming compact tufts with arching leaves. Large cream variegated leaves. Height 50 cm. Best grown in a damp to wet soil in a sheltered position.	2 lit.	£4.85
CARMUS	Carex muskingumensis	"Palm Sedge" Evergreen, tuft-forming graceful perennial sedge with narrow green leaves. Attractive flowers in summer. Prefers damp site. Height 50 - 60cm	2 lit.	£4.85
CARMLM	Carex muskingumensis 'Little Midge'	'Dwarf Palm Sedge' Evergreen, tuft-forming graceful perennial sedge with narrow green leaves. Brown flowers in summer. Height 25cm. Spread 20cm. Best plants in groups. Prefers damp site. Will grow in full sun or light shade.	2 lit.	£5.25
CAREG	Carex oshimensis 'Evergold'	An attractive sedge forming compact tufts with arching leaves with broad creamy yellow stripe. Height 30 cm. Best grown in a damp to wet soil in a sheltered position. RHS 'Award of Garden Merit'.	2 lit.	£4.85
CARPEN	Carex pendula	"Weeping Sedge" Evergreen, tuft-forming graceful perennial sedge with narrow green leaves, 45cm long. Solid, triangular stems freely produce pendant, greenish brown flower spikes in summer. Height 1m. Spread 30cm. Requires partial shade and well drained soil.	2 lit.	£4.85
CARMOO	Carex pendula 'Moonraker'	Evergreen, tuft-forming graceful perennial sedge with pale, creamy white spring foliage, greenish brown flower spikes in summer. Height 120cm. Spread 50cm. Requires partial shade and moist soil.	2 lit.	£5.25
CARTEN	Carex tenuiculmis	Upright clump forming sedge from New Zealand. Arching light brown leaves. Flower spikes in May. Height up to 45cm. Best grown in sunny position.	2 lit.	£4.85
CARTES	Carex testacea	"Orange New Zealand Sedge" Clump forming sedge from New Zealand. Arching pale olive leaves turning orange when grown in full sun. Black flower spikes. Height up to 45cm. Best grown in sunny position.	2 lit.	£4.85
CHIRUB	Chionochloa rubra	Dense, tussock forming grass from New Zealand with narrow dull reddish-brown leaves. Small panicles in July to August. Height 45cm. Best grow in a sunny sheltered position.	2 lit.	£5.25
CORRIC	Cortaderia richardii	"Pampas Grass" Evergreen, clump forming stately perennial grass. Frost hardy. Has narrow very sharp edged outward curving leaves. In late summer, erect plume like silvery panicles up to 200cm long are borne above mid green leaves. Prefers full sun.	3 lit.	£6.85
CORPUM	Cortaderia sell. 'Pumila'	"Pampas Grass" Evergreen, clump forming, stately perennial grass. Frost hardy. Has narrow very sharp edged outward curving leaves 1.6m long. In late summer, erect plume like silvery panicles up to 60cm long are borne above mid green leaves. RHS 'Award of Garden Merit'	3 lit.	£5.50
CORWF	Cortaderia selloana 'White Feather'	"Pampas Grass". Tussock forming grass with spectacular tall silver-white plumes. Ideal specimen plant. Height 180cm. Requires full sun and well drained soil.	3 lit.	£5.25

Code	Cultivar	Description	Size	Price
DESCBV	Deschampsia c. 'Bronze Veil'	"Tufted Hair Grass" Arching tussocks of shining dark green leaves. Large panicles tinted bronze produced from June to August, that last into the winter. Height 100 cm. Grows best in moist semi-shade ideal in woodland setting.	2 lit.	£5.25
DESCGD	Deschampsia c. 'Golden Dew'	"Tufted Hair Grass" Compact tussocks dark green leaves. Graceful panicles turning golden yellow in Autumn. Height 80 cm. Grows best in moist soil in full sun.	2 lit.	£5.25
DESCPF	Deschampsia c. 'Pixie Fountain'	"Tufted Hair Grass" Compact tussocks dark green leaves. Silver-green panicles turning golden yellow in Autumn. Height 60 cm. Grows best in moist soil in full sun.	2 lit.	£5.25
DESCES	Deschampsia cespitosa	"Tufted Hairy Grass" Attractive 'mop head' clumps of shining dark. Large, fine hair-like panicles from June to August, that last into the winter. Height 90 cm. Grows best in moist semi-shade ideal in woodland setting.	2 lit.	£4.85
DESCBH	Deschampsia cespitosa 'Goldgehänge'	Arching tussocks of shining dark green leaves. Large panicles tinted gold produced from June to August, that last into the winter. Height 45 cm. Grows best in moist semi-shade ideal in woodland setting.	2 lit.	£5.25
DESFTG	Deschampsia flexuosa 'Tatra Gold'	Attractive tuft forming, perennial grass. Fully hardy. Has dense, narrow, bright lime-green arching leaves. In summer produces dainty, open panicles of minute, green-purple spikelets that last well into winter. Height 30 cm. Requires sun and shade and drained soil.	2 lit.	£5.25
ERAELL	Eragrostis elliottii	'Blue Love Grass' Clump forming perennial grass. Blue-green nodding flowers in summer. Height 70cm. Best grown in full sun.	2 lit.	£4.85
ERASPE	Eragrostis spectabilis	'Purple Love Grass' Perennial grass forming dense clumps of light green leaves that turn red in the autumn. Brilliant purple-red flower plumes in late summer. Height 50cm.	2 lit.	£4.85
FESGSB	Festuca 'Siskyu Blue'	Evergreen, tuft forming. Fully hardy. Has narrow bristly blue-grey leaves in various shades of blue-grey. Bears panicles of spikelets in summer. Divide every 2-3 years in spring. Trim in early spring or mid-summer to encourage new growth. Height 25cm. Requires sun.	2 lit.	£4.85
FESGLA	Festuca glauca	"Blue Fescue" Evergreen, tuft forming. Fully hardy. Has narrow leaves in various shades of blue-green to silvery white. Bears panicles of spikelets in summer. Divide every 2-3 years in spring. Height 10cm. Requires sun.	2 lit.	£4.85
FESGBF	Festuca glauca 'Blue Fox' ('Blaufuc	Evergreen, tuft forming perennial grass. Fully hardy. Has narrow grey-blue leaves. Bears panicles of spikelets in summer. Divide every 2-3 years in spring. Height 15cm. Requires sun. RHS 'Award of Garden Merit'	2 lit.	£4.85
FESGEB	Festuca glauca 'Elijah Blue'	Evergreen, tuft forming. Fully hardy. Has narrow blue-grey leaves. Bears panicles of spikelets in summer. Divide every 2-3 years in spring. Height 15cm. Requires sun or light shade. Best planted in groups.	2 lit.	£4.85
FESGGT	Festuca glauca 'Golden Toupee'	Evergreen, tuft forming. Fully hardy. Has narrow golden yellow leaves. Bears panicles of spikelets in summer. Divide every 2-3 years in spring. Height 25cm. Requires sun or light shade. Best planted in groups.	2 lit.	£4.85
FESSIL	Festuca glauca 'Silberreihler'	Evergreen, tuft forming. Fully hardy. Has narrow silvery-blue leaves. Bears panicles of spikelets in summer. Divide every 2-3 years in spring. Height 15cm. Best grown in full sun and well drained soil.	2 lit.	£4.85
FESGMIN	Festuca glauca minima	A very dwarf form of Festuca glauca, evergreen, with fine blue-grey leaves, neat habit. Height 10 cm. Prefers full sun.	2 lit.	£4.85
FESVGLA	Festuca valesiaca var. glaucantha	"Wallis Fescue" Evergreen, tuft forming. Fully hardy. Has fine blue-green hair-like leaves. Bears panicles of spikelets in May to June. Divide every 2-3 years in spring. Height 25cm. Requires sun.	2 lit.	£4.85
GLYMVAR	Glyceria maxima 'Variegata'	Herbaceous, spreading, perennial grass with cream striped leaves, often tinged pink at the base. Bears open panicles of greenish spikelets in summer. Height 80cm. Spread indefinite. Requires full sun and moist soil.	2 lit.	£4.85

Code	Cultivar	Description	Size	Price
HAKMAUR	Hakonechloa macra 'Aureola'	Slow growing, rhizomatous grass, with purple stems and green striped, yellow leaves that age to reddish brown. Open panicles of reddish brown flower spikes may appear in autumn and last into winter. Height 45cm. Requires full sun and well drained soil. RHS 'Award of Garden Merit'	2 lit.	£5.25
HELSPAP	Helictotrichon sem. 'Saphirsprudel'	"Blue Oat-grass" Evergreen, tufted, perennial grass with upright silvery-blue leaves up to 30cm or more long. Produces erect panicles of straw coloured flower spikes in summer. erect panicles of straw coloured flower spikes in summer. Height 1 metre. Spread 60 cm. Requires full sun and well drained soil.	2 lit.	£5.25
HELSEM	Helictotrichon sempervirens	"Blue Oat-grass" Evergreen, tufted, perennial grass with stiff silvery-blue leaves up to 30cm or more long. Produces erect panicles of straw coloured flower spikes in summer. Height 1 metre. Spread 60 cm. Requires full sun and well drained soil. RHS 'Award of Garden Merit'.	2 lit.	£5.25
IMPRB	Imperata cylindrica 'Rubra'	"Blood Grass". Long narrow reddish foliage turning bright crimson through Summer with contrasting silvery-white flowers. Height 60cm Spread 30cm. Plant in sun or light shade in moist soil.	2 lit.	£5.25
JUNSPI	Juncus filiformis 'Spiralis'	Evergreen, tuft forming, perennial rush with dark green leafless stems that twist and curl and are often prostrate. Fairly dense, greenish-brown flower panicles form in summer. Height 20 cm. Requires full sun and moist soil.	2 lit.	£5.25
JUNCG	Juncus patens 'Carmen's Grey'	Green grey evergreen upright foliage, clump forming habit, small brown flowers, height 50cm. Prefers moist position.	2 lit.	£4.85
KOEGLA	Koeleria glauca	"Blue Hair Grass". Dense clumps of narrow blue leaves. Height 25cm. Best in a sunny situation.	2 lit.	£4.85
LEYARE	Leymus arenarius (syn. Elymus arena)	"Blue Lyme Grass" Tuft forming grasses with distinctive blue-grey foliage. Upright habit, slowly spreading. Buff blue flowers from June to August. Height 60cm. Sunny position.	2 lit.	£4.85
LUZNIV	Luzula nivea	"Snowy Wood-rush" Evergreen, slow-spreading, perennial rush with fairly dense clusters of shining, white flower spikes in early summer. Leaves are edged with white hairs. Height 60cm. Requires partial shade.	2 lit.	£4.85
LUZSYL	Luzula sylvatica	"Greater Wood-rush" Evergreen, slow-spreading, perennial rush with fairly dense clusters of brown flower spikes in early summer. Leaves are dark green and lined with white hairs. Height 30cm, spread 30 cm. Requires partial shade and well drained soil.	2 lit.	£4.85
LUZAUUR	Luzula sylvatica 'Aurea'	Evergreen, slow-spreading, perennial rush with fairly dense clusters of chestnut flower spikes in early summer. Leaves are yellow and lined with white hairs. Height 45cm, spread 30cm. Requires partial shade and well drained soil.	2 lit.	£4.85
LUZHHT	Luzula sylvatica 'Hohe Tatra'	"Greater Wood-rush" Evergreen, slow-spreading, perennial rush with fairly dense clusters of brown flower spikes in early summer. Leaves are yellow - green and lined with white hairs. Height 30cm, spread 30 cm. Requires partial shade and well drained soil.	2 lit.	£4.85
LUZSMAR	Luzula sylvatica 'Marginata'	"Greater Wood-rush" Evergreen, slow-spreading, perennial rush with fairly dense clusters of brown flower spikes in early summer. Leaves are mid-green with white margins and lined with white hairs. Height 30cm, spread 30 cm. Best in partial shade.	2 lit.	£4.85
LUZTC	Luzula sylvatica 'Taggart's Cream'	Evergreen, slow-spreading, perennial rush with fairly dense clusters of brown flower spikes in early summer. New leaves are white in spring and age to cream, turning green later and lined with white hairs. Height 45cm, spread 30 cm. Best grown in partial shade.	2 lit.	£4.85
MELUVAR	Melica uniflora 'Variegata'	"Wood Melic". Loosely tufted perennial grass with striped green and white leaves. Flower heads produced from May to June. Height 50 cm. Requires shade and good soil.	2 lit.	£4.85
MILYAF	Milium effusum 'Yaffle'	Erect tufts of bright pale green leaves with yellow central stripe. Ideal for lighting up shaded areas. Light airy yellow flower heads. Self seeds. Height 40cm. Spread 30cm. Prefers moist semi-shade.	2 lit.	£5.25
MILAUUR	Millium effusum 'Aureum'	"Bowles's Golden Grass" Erect tufts of bright lemon yellow leaves. Ideal for lighting up shaded areas. Light airy flower heads. 40cm. Prefers moist semi-shade. RHS 'Award of Garden Merit'.	2 lit.	£4.85

Code	Cultivar	Description	Size	Price
MISFO	Miscanthus sin. 'Ferne Osten'	Herbaceous, clump forming, perennial grass with compact habit. Narrow leaves with silver midrib. Reddish flowers in autumn. Height 120cm. Spread 45cm. Requires full sun and well drained soil.	2 lit.	£5.50
MISGIF	Miscanthus sin. 'Giraffe'	Herbaceous, clump-forming, perennial grass. Fine gold banded leaves, hairy spikelets in fan-shaped panicles in autumn. Height 200cm. Spread 45cm. Requires full sun and well drained soil.	3 lit.	£7.35
MISGRAC	Miscanthus sin. 'Gracillimus'	Herbaceous, clump forming, perennial grass, with narrow green leaves. Pink flowers in late summer, that turn silver in autumn. Height 120cm. Spread 100cm. Requires full sun and well drained soil.	2 lit.	£5.50
MISGF	Miscanthus sin. 'Grosse Fontäne'	Herbaceous, clump forming, perennial grass, with narrow leaves. Silver inflorescence during July and August which retain interest during Winter. Height 180cm. Requires full sun and well drained soil. RHS 'Award of Garden Merit'	2 lit.	£5.50
MISKAS	Miscanthus sin. 'Kascade'	Herbaceous, clump forming, perennial grass, feathery pinkish spikelets in August to October. Height 120-150cm. Requires full sun and well drained soil. RHS 'Award of Garden Merit'	3 lit.	£5.50
MISKS	Miscanthus sin. 'Kl. Silberspinne'	Compact habit. Herbaceous, clump forming, perennial grass, with narrow leaves, open spidery flower head, reddish turning silver in late autumn. Height 90cm. Requires full sun and well drained soil. RHS 'Award of Garden Merit'	2 lit.	£5.50
MISMAL	Miscanthus sin. 'Malepartus'	Herbaceous, clump forming, perennial grass, with narrow leaves, hairy beneath often turning bronze. May bear fan shaped panicles of awned, deep red spikelets in early autumn. Height 225cm. Spread 45cm. Requires full sun and well drained soil.	3 lit.	£6.85
MISML	Miscanthus sin. 'Morning Light'	Herbaceous, clump forming, perennial grass, with attractive narrow variegated leaves, feathery white spikelets in late summer. Height 150cm. Requires full sun and well drained soil. RHS 'Award of Garden Merit'	2 lit.	£5.80
MISROT	Miscanthus sin. 'Rotsilber'	Herbaceous, clump forming, perennial grass, with silvery stripe down the centre of leaf. Red flowers in late summer, that turn silver in autumn. Height 150cm. Spread 100cm. Requires full sun and well drained soil.	2 lit.	£5.50
MISSF	Miscanthus sin. 'Silver Feather'	Herbaceous, clump forming, perennial grass, with narrow leaves, hairy beneath often turning bronze. May bear fan shaped panicles of awned, silver spikelets, becoming pale pink in early autumn. Height 180cm. Spread 45cm. Requires full sun and well drained soil. RHS 'Award of Garden Merit'	2 lit.	£5.50
MISSTR	Miscanthus sin. 'Strictus'	Herbaceous, clump-forming, perennial grass. Upright habit. Leaves have transverse, yellowish-white markings. Carries white flower heads in autumn, that last overwinter. Height 150cm. Improved hardiness. Requires full sun and well drained soil. RHS 'Award of Garden Merit'	2 lit.	£5.50
MISVAR	Miscanthus sin. 'Variegatus'	Herbaceous, clump forming, perennial grass, with attractive narrow green and yellow variegated leaves, feathery white spikelets in late summer. Height 180cm. Requires full sun and well drained soil.	3 lit.	£5.50
MISYAK	Miscanthus sin. 'Yakushima Dwf.'	Very compact habit. Herbaceous, clump forming, perennial grass, with narrow leaves, pale pinkish-brown feathery spikelets in late summer age to white in winter. Height 60-90cm. Requires full sun and well drained soil.	2 lit.	£5.80
MISZEB	Miscanthus sin. 'Zebrinus'	Herbaceous, clump-forming, perennial grass. Leaves, hairy beneath, have transverse, yellowish-white ring markings. May carry awned, hairy white spikelets in fan-shaped panicles in autumn. Height 1.2m. Spread 45cm. Requires full sun and well drained soil. RHS 'Award of Garden Merit'	2 lit.	£6.85
MISCOS	Miscanthus sin.v.con. 'Cosmopolitan'	Herbaceous, perennial grass, forming dense clumps with distinctive golden variegated leaves, feathery spikelets in late summer. Height 300cm. Requires full sun and well drained soil. RHS 'Award of Garden Merit'	3 lit.	£7.90
MISGB	Miscanthus sinensis 'Gold Bar'	Herbaceous, clump-forming, perennial grass. Compact, upright habit. Leaves have transverse, cream-yellow markings. Carries white flower heads in autumn, that last overwinter. Height 60cm. Requires full sun and well drained soil. Plant Breeder Rights Apply, (Propagation prohibited).	2 lit.	£6.85
MISPUN	Miscanthus sinensis 'Püntchen'	Herbaceous, clump-forming, perennial grass. Leaves, hairy beneath, have transverse, gold ring markings. May carry awned, hairy white spikelets in fan-shaped panicles in autumn. Height 150cm Spread 45cm. Requires full sun and well drained soil.	2 lit.	£5.50

Code	Cultivar	Description	Size	Price
MISTRA	Miscanthus transmorrisonensis	Clump forming, semi-evergreen perennial grass with arching green leaves. Flower spikes of attractive white plumes in late summer and autumn. Height 120cm. Prefers full sun and well drained soil.	2 lit.	£5.50
MISGIG	Miscanthus x giganteus	Large herbeous, clump forming perennial grass, with dark green leaves. Silky purple tinted inflorescence during late summer. Height 300cm. Requires full sun and well drained soil.	3 lit.	£7.35
MOLPP	Molinia 'Poul Petersen'	"Purple Moor Grass" Attractive tuft forming grass, herbaceous, fully hardy. Produces spreading panicles of purplish spiklets on erect stems from July to October. Height 100 cm. Needs a dry, sunny position and acid soil.	2 lit.	£5.25
MOLKF	Molinia c. subs. a. 'Karl Foerster'	"Purple Moor Grass" Attractive tuft forming grass, herbaceous, fully hardy. Produces spreading panicles of dark spiklets on erect stems from July to October. Height 150 cm. Needs a dry, sunny position and acid soil.	2 lit.	£5.25
MOLCAR	Molinia c. subsp. a. 'Carmarthen'	Attractive tuft forming grass with creamy yellow striped leaves, herbaceous, fully hardy. Produces spreading panicles of brown spiklets on erect stems from July to October. Height 45 cm. Needs a dry, sunny position and acid soil.	2 lit.	£4.85
MOLED	Molinia c. subsp. a. 'Edith Dudszus'	"Purple Moor Grass" Attractive tuft forming grass, herbaceous, fully hardy. Produces spreading panicles of dark spiklets on erect stems from July to October. Height 60 cm. Needs a dry, sunny position and acid soil.	2 lit.	£5.25
MOLHEI	Molinia c. subsp. a. 'Heidebraut'	Tuft forming grass with upright foliage, Soft straw yellow flowers in July to September. Height 150cm. Grows best on damp acid soil.	2 lit.	£5.25
MOLMOO	Molinia c. subsp. a. 'Moorhexe'	"Purple Moor Grass" Tuft forming grass with upright foliage, Dark flowers in July to September. Height 45cm. Grows best on damp acid soil.	2 lit.	£5.25
MOLSKY	Molinia c. subsp. a. 'Skyracer'	"Tall Moor Grass" Attractive tuft forming grass, herbaceous, fully hardy. Upright foliage, Pale brown open flowers on green stems in July to September. Height 200cm. Grows best on damp acid soil.	2 lit.	£5.25
MOLCVAR	Molinia c. subsp. a. 'Variegata'	Attractive tuft forming grass with white striped leaves, herbaceous, fully hardy. Produces spreading panicles of purple spiklets on erect stems from July to October. Height 35 cm. Needs a dry, sunny position and acid soil. RHS 'Award of Garden Merit'.	2 lit.	£4.85
MOLSTR	Molinia c.s.a. 'Strahlenquelle'	"Purple Moor Grass" Attractive tuft forming grass, herbaceous, fully hardy. Upright foliage, Pale brown open flowers on green stems in July to September. Height 75cm. Grows best on damp acid soil.	2 lit.	£5.25
MOLARU	Molinia caerulea subsp. arundinacea	"Purple Moor Grass" Attractive tuft forming grass, herbaceous, fully hardy. Produces spreading panicles of purple spiklets on erect stems. July to October. Height 175 cm. Needs a dry, sunny position and acid soil.	2 lit.	£4.85
PANWV	Panicum 'Wood's Variegated'	"Switch Grass" Upright habit, Green and white variegated foliage in the Spring turns green in summer. September to November. Height 30cm.	2 lit.	£4.85
PANCLA	Panicum clandestinum	'Deer Tongue Grass' Clump forming perennial grass with pale grey to deep green leaves. Open silvery flowers heads age to brown. July to August. Height 150cm. Best grown in a shelter site.	2 lit.	£4.85
PANVIG	Panicum virgatum	"Switch Grass" Upright habit, ideal as an accent plant. Purplish feathery flowers, September to November. Leaves turn red in summer and become crimson in Autumn. Height 100cm.	2 lit.	£4.85
PANHM	Panicum virgatum 'Heavy Metal'	"Switch Grass" Upright steel-blue foliage, ideal as an accent plant. Auburn tinted feathery flowers in September to November. Height 90cm.	2 lit.	£5.25
PANREH	Panicum virgatum 'Rehbraun'	A useful plant with upright habit, ideal as an accent plant. Dainty chestnut-brown flowers September to November. Leaves turn red in summer and become crimson in Autumn. Height 100cm.	2 lit.	£5.25

Code	Cultivar	Description	Size	Price
PANROT	Panicum virgatum 'Rotstrahlbusch'	"Switch Grass" Upright habit, ideal as an accent plant. Purplish feathery flowers in September to November. Leaves turn red in summer and become crimson in Autumn. Height 100cm.	2 lit.	£5.25
PANSQU	Panicum virgatum 'Squaw'	"Switch Grass" Upright habit, ideal as an accent plant. Red feathery flowers in September to November. Leaves turn red in summer and become crimson in Autumn. Height 90cm.	2 lit.	£5.25
PANWAR	Panicum virgatum 'Warrior'	"Switch Grass" Upright habit, ideal as an accent plant. Purplish feathery flowers, September to November. Leaves turn red in summer and become crimson in Autumn. Height 100cm.	2 lit.	£5.25
PENALVIR	Pennisetum alopec. f. viridescens	Loosely tufted grass with attractive arching flower heads. Dark green leaves tinged with purple. Flowers from August. Height 80 cm. Can be used as a cut flower. Needs sunny position and light well drained soil	2 lit.	£4.85
PENALO	Pennisetum alopecuroides	Loosely tufted grass with attractive arching cylindrical 'Bottlebrush' flower heads. Dark green leaves. Flowers from August. Height 80 cm. Can be used as a cut flower. Needs sunny position and light well drained soil	2 lit.	£4.85
PENAHAM	Pennisetum alopecuroides 'Hameln'	"Fountain Grass" Compact form, loosely tufted low growing grass with attractive arching 'bottle brush' flower heads. Dark green leaves tinged with purple. Flowers from August. Height 45 cm. Can be used as a cut flower. Needs sunny position and light well drained soil	2 lit.	£5.25
PENMAG	Pennisetum alopecuroides 'Magic'	"Fountain Grass" Loosely tufted low growing grass with attractive arching brown 'bottle brush' flower heads. Dark green leaves tinged with purple. Flowers from August. Height 70cm. Needs sunny position and light well drained soil	2 lit.	£5.25
PENOKR	Pennisetum orientale 'Karley Rose'	"Hardy Oriental Fountain Grass" Grown for it's most attractive dusky rose flower spikes. Flowering over a long period in late summer. Densely tufted, deciduous perennial with slow spreading rhizomes. Best grown as a specimen plant. Height 90cm. Needs a sunny position and light well drained soil.	2 lit.	£5.50
